It was my supreme privilege to join the University of Cincinnati College-Conservatory of Music as its dean in 2011. After four years in this position, I continue to be inspired by the unparalleled work of our faculty and students. The talent in these halls—coupled with the remarkable achievements of our alumni—fuels the arts locally, nationally and across the globe.

I am equally inspired by those of you who invest in this talent. Your support of CCM’s vision of UnCompromising Excellence ensures that the future successes of our performing and media arts students match the achievements of our alumni.

Earlier this year, I extended my commitment as Dean of CCM through 2023. This was in large part due to the respect and gratitude I have for each of you, along with the admiration I have for CCM’s remarkable faculty, staff and students. The impact of your collective support will always be an inspiration.

Thank you for your generosity!

Enthusiastic and unwavering commitment to CCM

Music provides us with powerful memories and CCM is the home to so many of those memories for me. As an alumnus of the school, I have been thrilled not only to watch the growth of CCM over the years, but to be an active participant in its evolution at many different levels. Getting involved has opened new doors and allowed me to give back to the University and CCM in ways that I could not have imagined as a young student. I met my wife at CCM, met my best friends at CCM, and created a lifetime of memories for which I will be forever grateful. It may well be my best investment.

Bill Harvey is co-owner and Vice President of Buddy Roger’s Music, a music retailer specializing in the school music business in the Cincinnati region. In 2001, Bill was recognized by CCM for his active involvement in the community and presented with the Distinguished Service Award.

Bill founded the Cincinnati Brass Band in 1993. He established the LINKS Program (Lonely Instruments for Needy Kids) in partnership with the CCM Alumni Board in 1994. The New Horizon’s Band, a recreational performance group for senior citizens, was kicked off in 1999 through the efforts of Bill and the support of his company.

Bill served on the CCM Alumni Board for more than nine years and currently serves on the boards of the Friends of CCM, the Music Achievement Council and the Cincinnati Brass Band.

Lee Fiser, Professor of Cello and Chamber Music, has served on the faculty of the University of Cincinnati College-Conservatory of Music since 1975. He is a former member of the Cincinnati Symphony Orchestra. Lee was the cellist for the famed LaSalle Quartet, CCM’s quartet-in-residence, from 1975 until the Quartet’s retirement in 1988, performing in over 40 international concert tours.

Lee continues to actively teach and he enjoys attending the concerts of the Ariel Quartet, CCM’s current resident ensemble. Professor Fiser gives annually to the Friends of CCM because it provides scholarship support to many deserving CCM undergraduate and graduate students.

Professor Fiser is an extremely dedicated teacher who truly cares about his students. He is always open to giving additional lessons and he believes in optimizing the efforts we put in to playing our musical instruments. When I first studied with him, Professor Fiser would give me advice and tips on playing. His genuine concern for his students extends beyond their musical development and academic growth to their everyday lives.

An accomplished actress and singer, Lisa Howard is the recipient of the CCM Musical Theatre Young Alumni Award for 2016. First presented in 2006, the award is given to Musical Theatre graduates of the past three decades. In 2015, Lisa received a nomination for the Drama Desk Award for Outstanding Actress in a Musical for her role as Jenny in It Shoulda Been You. Lisa was awarded the 2005 Drama Desk Award for Best Ensemble Performance for her Broadway debut as Rona Lisa Peretti in the 25th Annual Putnam County Spelling Bee. Most recently, Lisa received critical acclaim for her performance on the televised Tony Awards. Lisa’s debut solo CD, Songs of Innocence and Experience: The Music of William Finn was released in the Spring of 2011. Her television and film credits include Ugly Betty and the Twilight Saga: Breaking Dawn Part II.

LISA HOWARD

I wouldn’t be where I am today had it not been for the education I received at CCM. The musical theatre program was challenging and thrilling. It was exactly what I needed to transition into the real world of performing. That experience was also made easier by funding I received from scholarships both from my hometown high school and CCM’s Jane M. Battaglia Scholarship Fund. I am so grateful to have had the support of not only my family but of people and institutions dedicated to the arts. Making the decision to go into any type of artistic field takes a lot of courage. It is often a difficult road but when talent is nurtured in the right environment it can make the path to earning a living in the arts easier.

Cincinnati became home to Dick and Mary Lu Aft in 1987 when Dick began his 14-year presidency of the United Way of Greater Cincinnati. That was also the year that Mary Lu began 28 years of Friends of the Public Library leadership. As Dick continues to teach, consult and write books about United Way history, Mary Lu still spends three days each week volunteering as a Library Friend. She is also Vice Chair of the Fifty Year Club alumni association of their shared alma mater, Knox College. Dick serves as a member of the Friends of CCM Executive Committee and Chair of the Community Advisory Board of UC’s Hoxworth’s Blood Center.

Mary Lu and Dick consider CCM to be “their conservatory” and believe that it is one of the best in the world. They should know, as they have enjoyed performances all over the world while working as a volunteer team committed to increasing non-profit services to people in need.

If it hadn’t been for the investment that others made in our education, we wouldn’t be pictured here. Now, it’s our turn. We have been Friends of CCM since we attended our first performance. We plan to continue our support for our lifetimes. Then, our planned gift will endow our current level of Friends of CCM support for future generations of talented students. So much was done for us. It’s the least we could, and should, do for others.
