1. UC/CCM Online Application — Undergraduate applicants must apply online through our Web site at http://ccm.uc.edu. Click on the “Apply Now” link to begin the application, which will serve both the university and CCM. A non-refundable $110 application fee (the UC fee and the CCM fee combined) will be collected at the end of the application. If you are applying to two CCM majors (e.g. Musical Theatre and Voice or Jazz Percussion, and Classical Percussion), select the second major when you apply online. You will be charged an additional college fee of $60 for the second CCM major.

CURRENT UC STUDENTS: Request a paper application from the CCM Admissions Office. If you entered UC before the fall of 2007, fill out the paper Application for Change in College as well. CCM Admissions will print the UC transcript for all current UC students.

2. Transcript and Test Scores — Request an official transcript from each institution attended. Current U.S. high school students should also have their high school counselor fill out and send the UC College Prep form (http://admissions.uc.edu/content/dam/admissions/docs/collegeprepform.pdf).

Transfer students must send all college transcripts. If you have earned fewer than 60 semester hours or 90 quarter hours, you must also send your high school transcript. High school transcripts must be sent directly to the University of Cincinnati Admissions Office (not CCM):

Specific Requirements for Audition/Interview

Arts Administration — MA
Interview dates in Cincinnati are February 4-5, and 18-19. Test scores, resume, and transcript are required for prescreening and interviews are held by invitation only. December 1 is the early application deadline; January 15 is the final application deadline.

All applicants must forward results of the GRE (school code 1833, department code 2404) or GMAT (83C-4L-52). Admission decisions will not be made until the scores are received. The 500-word applicant statement and résumé must be sent as an e-mail attachment to ccmadm2@ucmail.uc.edu if not attached to application. Three letters of recommendation from teachers, employers, or similarly qualified individuals are also required. Personal and professional qualifications should be emphasized.

The College of Business and the College-Conservatory of Music offer a joint program leading to the degrees of master of business (MBA) and master of arts (MA) in arts administration. Students admitted to the joint program may earn both degrees in two years of full-time study rather than three years. Separate applications must be submitted to the College-Conservatory of Music and the College of Business. All joint degree applicants must take the GMAT.

All incoming students, in both the MA and MA/MBA programs, must complete the online Harvard Introduction to Spreadsheet Modeling course with a passing grade before beginning coursework in the fall. Please be aware that the online registration process for this course does provide a pre-test by which you can exempt yourself from taking the course.

For further information on the MBA admissions process, please contact the College of Business at graduate@uc.edu.

Ballet — BFA
Applicants may audition in Cincinnati or other designated audition site, or by video/DVD; however, for scholarship consideration an in-person audition is required.

The audition will consist of a traditional classical ballet barre and center followed by several combinations of pointe work (for women only). Dancers will then take the modern dance component, which consists of movement sequences demonstrating the ability to perform floor work and various rhythmic and spatially-oriented structures. Off-site audition formats may vary slightly.

Female dancers should bring ballet slippers, pointe shoes and have footed tights that can be rolled up to ankle or calf-length for the modern component of the audition. Traditional attire (black leotard and pink tights) is recommended. Male dancers should bring socks and ballet slippers as well as tights that can be rolled up to accommodate the modern dance component of the audition. Traditional attire (black tights and white t-shirt) is also recommended. Each dancer should bring a video/DVD of himself or herself performing a solo variation from the standard classical repertoire to the on-site audition. (For regional audition, mail to CCM Dance Division.) This video should include a short introduction of the dancer stating his or her name, name of the variation and name of the studio where the dancer trains. The video/DVD will be tagged with the dancer’s audition date and number and submitted to the faculty member conducting the audition. Only the introduction and selected variation should be on the video/DVD. Variations may be performed in practice clothes or costume either in the studio or on stage. Performance tapes are acceptable but should show only the applying dancer. Videos/DVDs will not be returned.

Applicants must submit a full-length photo with the applicant dressed in regular ballet classroom attire, posed in arabesque en l’air (women en pointe).

Bassoon — BM
Applicants are encouraged to audition in Cincinnati, but may audition at a regional site.

Applicants should be prepared to play all major and minor scales and arpeggios plus two contrasting solo selections and at least two orchestral excerpts.

Bassoon — MM, DMA, AD
MM applicants are encouraged to audition in Cincinnati, but may audition at a regional site. DMA and AD applicants must audition in Cincinnati.

The College-Conservatory of Music has no set repertoire requirement for the graduate admission audition. It is important that the applicant choose selections which represent current performance capabilities from a variety of musical styles and periods. Orchestral excerpts are highly recommended.

Clarinet — BM
Applicants may audition in Cincinnati or at a regional site. Recorded auditions, submitted via ArtsApp.com/CCM, are accepted only from students who are not currently living or studying in the continental United States. Auditions for BM will be held Feb. 4 and Feb. 6.

- Orchestra excerpts:

  - Beethoven Symphony 6, 1st movement measures 476-492 and 2nd movement measures 69-77

Graduate Clarinet Applicants — Prescreening Requirements

The recording should be unaccompanied and be a single track/file with the pieces listed below played back to back. DEADLINE FOR SUBMISSION OF RECORDING IS JAN. 3.

Frequently Asked Questions

Do I have to fill out both a CCM application and a University of Cincinnati application? No. When you submit the CCM application from http://ccm.uc.edu/admissions, it will go to both CCM and the University of Cincinnati. The fee you pay for the online application covers the application fees for both UC and CCM.

Do I need to write an essay? Undergraduate students applying for the bachelor of arts in music, the bachelor of music in music history, or the bachelor of fine arts in electronic media or theater design and production need to write an applicant statement. (Please refer to earlier requirements for detailed description.) All other undergraduates are not required to write an essay. Students who wish to be considered for the Cincinnatus Academic Scholarship and/or UC Honors Program, however, are required to submit an essay. Graduate students write a 500-word applicant statement.

What is the College Prep Form, and who needs to fill it out? The College Prep Form helps the University of Cincinnati ensure that you meet the admissions requirements. Everyone who is required to send high school transcripts should submit this form. Ask your guidance counselor or principal to complete the form and send it to UC with your high school transcript. The College Prep Form can be found at http://admissions.uc.edu/content/dam/admissions/docs/collegeprefform.pdf.

What is the Transfer Student Form, and who needs to fill it out? CCM honors the code of ethics established by the National Association of Schools of Music as well as the spirit of that code of ethics with respect to all of its programs. Therefore, students applying to transfer to a CCM major from any program at another university or college must have the Transfer Form (from http://ccm.uc.edu/admissions/forms.html) signed by a representative of the school where they are currently enrolled. We must have this form before you can be considered for a CCM scholarship.

Do transfer students need to submit high school transcripts and test scores? You are required to submit high school transcripts if you have earned fewer than 60 semester hours or 90 quarter hours of college credit. Test scores are not required if you graduated from high school more than one year before the date you intend to enroll at UC.

Do I need to take the GRE? All DMA and PhD applicants as well as MM applicants in composition, musicology, music theory, and music education must take the GRE General Test and forward the results to CCM Admissions (school code 1833, department 2404). Arts Administration applicants take the GRE or GMAT (83C-4L-S2). For the dual MBA/MA program, you must submit GMAT scores. Artist diploma applicants, MM applicants in all performance programs, conducting and all MFA applicants to the Theater Design and Production program are not required to take the GRE. For specific information regarding test sites and dates, go to http://www.gre.org or http://www.mba.com. An acceptance letter and/or scholarship offer will not be sent without a GRE or GMAT score if your program requires this test.

Should I send my head shot, resumé or other supplementary materials? And where do they go? Test scores and transcripts for undergraduate applicants should be sent to the University of Cincinnati Admissions Office. All other materials (including transcripts for graduate applicants and letters of recommendation) are to be mailed to CCM Admissions. The required DVD for ballet majors, and head shots and resumés for musical theatre and drama applicants, should be brought to the audition.

Are there minimum test scores and GPA requirements? The University of Cincinnati does have minimum academic standards; however, CCM students are generally evaluated based on their application and audition, and applicants who do not meet the minimum requirements may still be admitted to their program. For further details on the minimum academic standards, contact the UC Admissions Office.

What is CHECK YOUR STATUS? Undergraduate students can access “Check Your Status” at http://admissions.uc.edu. This Web site will allow students to see which application items are missing and if an admissions decision has been made. Graduate students can check on their missing application items at http://ccm.uc.edu/admissions/status.

Do I need to send in a prescreening recording before I can audition? Currently, all students applying for flute, conducting, voice, and clarinet (graduate applicants only) are required to submit a recording for prescreening before approval for a live audition. Composition majors must send in a portfolio of scores and should include recordings. Please refer to the specific requirements for each major and the recording guidelines on page 19.

If I’m not invited to audition for voice in Cincinnati can I audition regionally? No. If you have been refused after submitting a prescreening recording, the faculty will not evaluate a regional audition.

How do I schedule my audition/interview date? Your audition/interview date will be scheduled when we receive your application. You do not need to call us to schedule your audition/interview date. You will be asked to request two different dates on the application and we do our best to schedule your first choice on a first-come, first-served basis. You cannot schedule an audition/interview before your application has been submitted, or by phone or e-mail. Once it has been scheduled you will be able to confirm your audition/interview date at http://webapps.uc.edu/ccm/auditions/login.asp.
When and how will I be notified of my audition/interview date? You will be notified of your audition/interview date as soon as we schedule it. About two to three weeks after you submit your online application you will receive an e-mail directing you to a Web site where you can log on and view your audition/interview day schedule. This online confirmation will include your date and preliminary audition time. You will receive a second e-mail notice when your audition time is finalized, usually 7 to 10 days before the audition. If you will be auditioning or interviewing in Cincinnati, we recommend that you set aside the whole day when making your travel plans.

What if I can't attend my audition? If you cannot attend your audition, please contact us in the CCM admissions office by phone as soon as possible. If you want to reschedule your audition please have another date in mind. If you are rescheduling due to a death in the family, inclement weather, plane cancellations, unified audition conflicts (musical theatre only), or Cincinnati conflicts (local auditions only) you will not be charged the audition change fee. For all other reasons, including illness, you will be charged $50 to change your audition date. If other dates are full we cannot guarantee a new audition date.

Is it better to audition earlier, or to audition in Cincinnati instead of at a regional location? No. We consider every student equally, regardless of where and when they audition. All of our different audition dates and locations have comparable acceptance rates, and you do not improve your chances by auditioning on a certain day or at a certain place. Our admissions committee is always aware of how many students have yet to audition when making decisions. If you are taking an instrumental or classical voice audition at a regional location, faculty from your major area will not be present; your audition will be videotaped so that they can review your audition personally. CCM faculty will always be present at regional musical theatre and dramatic performance auditions and at theater design and production interviews.

When will I receive my admission decision? Your admission decision will be sent to you as soon as a final decision is made, but no later than April 1. You will not hear from UC before your audition. Your admissions decision will come from CCM.

If I am refused from CCM, can I still come to UC? Can I re-audition for CCM next year? Yes. Please call UC Admissions at 513-556-1100 to change your intended major. Please note that certain university programs fill early in the application process. You may then re-apply for CCM the following fall. You must do another complete application.

What documentation do I need to supply if I was homeschooled? The University of Cincinnati Admissions office needs to see that you have completed the articulation requirements to be admitted. If you have done an internet-based program, you should order your transcripts through that program and have them sent to UC. If you were in another type of school environment, the University needs to see how you learned the material, what you were evaluated against, and a signed document from your school district allowing you to be homeschooled. You will still need either the ACT or SAT standardized test. For more information, please contact UC Admissions at adm iss@ucmail.uc.edu or 513-556-1100.

Will my AP, IB or CLEP credits transfer to UC? Yes. The Transfer Credit Information website (http://admissions.uc.edu/ transfer/transfer_credit.html) will tell you exactly what credit you will receive at UC for your AP, IB, and CLEP scores.

What scholarships are available? All CCM applicants are automatically considered for a talent-based scholarship. These are awarded in the early spring based on audition results and the recommendations of our faculty. Incoming undergraduate freshmen may also qualify for the Cincinnatus Scholarship, awarded by the university, to academically qualified students (http://financialaid.uc.edu/sfao/cincinnatus.html).

What graduate assistantships are available, and how do I apply for one? Assistantships are available in all majors except composition (except musical theatre and drama) may also double major with a program from the McMicken College of Arts and Sciences (excluding communication, psychology, and political science). We recommend that you contact the College of Arts and Sciences after you are accepted to CCM.

Can I double major within CCM or with another major at UC? You may double major with two music majors within CCM. You will need to select two majors when you apply online. CCM students (except musical theatre and drama) may also double major with a program from the McMicken College of Arts and Sciences (excluding communication, psychology, and political science). We recommend that you contact the College of Arts and Sciences after you are accepted to CCM.

If I am an international student, how do I get the I-20? You must be officially accepted before an I-20 can be issued. When you are accepted you will need to verify funding using the Financial Certification Form (http://www.uc.edu/international/services.html). See international instructions on page 6 of this handbook or for more information, visit http://www.uc.edu/international/services/students/prepare.html.
