Within this handbook you will find complete application instructions for admission as well as specific program information. Please make sure you read this carefully before beginning the application to ensure a smooth process. Please pay special attention to page 7 which outlines our audition dates and locations as you will be selecting your audition date on the online application. More information pertaining to specific programs, faculty, or curriculum can be found on our website at ccm.uc.edu.

We would like to invite you to tour CCM’s outstanding facilities and observe classes and/or ensemble rehearsals (when school is in session). Please visit our website ccm.uc.edu/admissions to schedule a day with us.

Again, thank you for taking the time to view our information, and we are thrilled you are considering CCM to further your education. Current UC Students must apply via paper application found online at ccm.uc.edu/admissions. If you entered UC before the fall of 2009, fill out the paper application for change in college as well. If you entered UC during or after the fall of 2009, CCM Admissions will print your high school and any previous college transcripts from the UC Admissions database. CCM Admissions will print the UC transcript for all current UC students.

2. CCM ADDENDUM AND AUDITION FEE: Once the university has received a completed Common Application (including the writing portion) OR the Transfer Application, you will be prompted via email to complete the CCM Addendum (ccm.uc.edu/admissions). SPECIFIC REQUIREMENTS FOR AUDITION/INTERVIEW

**Acting – BFA**
Cincinnati audition dates are January 18 and February 15.
New York Unified audition dates are January 18-19. Chicago Unified audition dates are February 3-4. Applicants must complete the pre-screening process in order to be invited to audition.

Applicants must submit the required pre-screening videos via getacceptd.com/ccm.

Pre-screening requirements:
- Two contrasting monologues from full-length plays in two separate files. Choices may be contemporary or classical in any combination. Please choose roles in your own maturity and emotional range, and from material with which you are familiar and comfortable. The audition must be memorized and uploaded in two separate files with a separate slate for each stating your name, character, play and playwright. Each separate monologue may not exceed two and a half minutes. One video should be shot in close-up (head and shoulders) and the other should show full body.
- Wild card video: A 60-90 second video sharing ANYTHING you want – a special skill, an interesting story about yourself, a passion speech, an instrument you play, or the answer to the question: “Why do you want to pursue a career in acting?” This will help us learn what makes you unique and what you want us to know about you.
- Headshot and resume, including any training or experience in theatre, film, music and dance, as well as academic achievements, work experience and community service.

Live audition requirements:
- Perform two contrasting monologues, either contemporary or classical in any combination. These may be the same as your pre-screen choices, or they may be new and different. Each monologue should be no longer than two and a half minutes and within your natural age range. Be sure to read the entire play so you can demonstrate an understanding of the character and situation. You may use hand props.

Variations may be performed in practice clothes or costume either in the studio or on stage. Performance tapes are acceptable but should show only the applying dancer.

**Music – BA**
**Cincinnati interview dates are January 24 and January 25.**

The Bachelor of Arts in Music degree at CCM is a liberal arts degree that provides students with flexible pathways for the study of music as a cultural and artistic practice. Ample electives allow for a breadth of approaches to music studies, and more than half of the coursework allows students to explore courses outside of music, with possibilities for double-majors, minors, certificate programs and pre-med or pre-law coursework. Because of the liberal arts focus of this degree, students primarily interested in studying performance should apply to a bachelor of music degree in their chosen performance area. Private lessons in a performance area are encouraged within this program; however, if an applicant wants to study at the secondary or concentration level, s/he will need to be admitted by faculty in the applied performance area in addition to the BA-Music program.

FREQUENTLY ASKED QUESTIONS

Do I have to fill out both a CCM application and a University of Cincinnati application?
YES, if you are a first-year freshman or transfer student from another university you will need to fill out either the Common Application or Transfer Application (with CCM Transfer Form) as well as the choosing your audition date on the CCM addendum. You cannot choose your audition date until you have successfully submitted a Common Application to the University of Cincinnati. You will then receive an email 24 hours after submitting the Common Application, which will prompt you to select audition dates.

NO, if you are an on-campus transfer student you will need to fill out the CCM Paper Application. For more information, as well as specific websites, please refer to page 3 in the handbook.

Do I need to write an essay? All undergraduate applicants are required to write an essay as part of their online application. Graduate students write a 500-word applicant statement.

What is the Transfer Student Form, and who needs to fill it out? CCM honors the code of ethics established by the National Association of Schools of Music as well as the spirit of that code of ethics with respect to all of its programs. Therefore, students applying to transfer to a CCM major from any program at another university or college must have the Transfer Form (from ccm.uc.edu/admissions) signed by a representative of the school where they are currently enrolled. We must have this form before you can be considered for a CCM scholarship.

Do transfer students need to submit high school transcripts and test scores? You are required to submit high school transcripts if you have earned fewer than 30 semester hours or 45 quarter hours of college credit. Test scores are not required if you graduated from high school more than one year before the date you intend to enroll at UC.

Do I need to take the GRE? All PhD, MM Theory and MM Musicology applicants are required to take the GRE. Arts Administration applicants can take the GRE or GMAT. For specific information regarding test sites and dates, go to ets.org/gre or mba.com.

Should I send my head shot, resume or other supplementary materials? Please refer to your specific major under the “Specific Requirements For Audition/Interview” section.

Are there minimum test scores and GPA requirements? The University of Cincinnati does have minimum academic standards; however, CCM students are generally evaluated based on their application and audition, and applicants who do not meet the minimum requirements may still be admitted to their program. For further details on the minimum academic standards, contact the UC Admissions Office.

Do I need to send in a pre-screening recording before I can audition? Please refer to your specific major under the “Specific Requirements For Audition/Interview” section. Do not send pre-screening if it is not required. For those who are required, you may only submit all of your pre-screening materials ONCE.

How do I schedule my audition/interview date? Your audition/interview date will be scheduled when we receive your complete application. After you finish your application you will receive an email to fill out the CCM Addendum, which is where you will select your preferred audition/interview dates. You do not need to call us to schedule your audition/interview date. You will be asked to request two different dates on the application and we do our best to schedule your first choice on a first-come, first-served basis. You cannot schedule an audition/interview before your application has been submitted, or by phone or email.

When and how will I be notified of my audition/interview date? You will be notified of your audition/interview date in an email as soon as we schedule it. This confirmation will include your date and preliminary audition time. You will be notified if your time changes. If you will be auditioning or interviewing in Cincinnati, we recommend that you set aside the whole day when making your travel plans.

What if I can’t attend my audition? If you cannot attend your audition, please contact us in the CCM admissions office by phone (513-556-9479) as soon as possible. If you want to reschedule your audition please have another date in mind. If you are rescheduling due to a death in the family, inclement weather, plane cancellations, unified audition conflicts (musical theatre only), you will not be charged the audition change fee. For all other reasons, including illness, you will be charged $100 to change your audition date. If other dates are full we cannot guarantee a new audition date.

Do I need an accompanist for my audition? Only those auditioning for voice, opera, or musical theatre require an accompanist, which will be provided by CCM. Please note for unified applicants must bring the musical track to their song selections for playback because there is not live accompaniment provided at these locations. All other majors do not need an accompanist and CCM will not provide one.

Will practice rooms be provided at CCM for my audition? Yes, practice rooms are available the day of your audition.

Are there callbacks for any auditions? No.

When will I receive my admission decision? Your admission decision will be sent to you as soon as a final decision is made, but no later than April 1. Your admissions decision will come from CCM. Applicants will not receive admissions decisions from UC unless applying for an additional major outside of CCM.
If I am refused from CCM, can I still come to UC? Can I re-audition for CCM next year? Yes. Please call UC Admissions at 513-556-1100 to change your intended major. Please note that certain university programs fill early in the application process. You may then re-apply for CCM the following fall by filling out a paper application found at ccm.uc.edu/admissions.

What documentation do I need to supply if I was homeschooled? The University of Cincinnati Admissions office needs to see that you have completed the articulation requirements to be admitted (admissions.uc.edu/information/high-school). If you have done an internet-based program, you should order your transcripts through that program and have them sent to UC. If you were in another type of school environment, the University needs to see how you learned the material, what you were evaluated against, and a signed document from your school district allowing you to be homeschooled. You will still need either the ACT or SAT standardized test. For more information, please contact UC Admissions at admissions.uc.edu or 513-556-1100.

Will my AP, IB or CLEP credits transfer to UC? Yes. The Transfer Credit Information website (admissions.uc.edu/information/transfer) will tell you exactly what credit you will receive at UC for your AP, IB, and CLEP scores.

What scholarships are available? All CCM applicants are automatically considered for a talent-based scholarship. These are awarded in the early spring based on audition results and the recommendations of our faculty. All incoming undergraduate freshmen applying directly from their last year in high school are automatically considered for the Cincinnatus Scholarship, awarded by the university, to academically qualified students as long as all materials are received by December 1. (financialaid.uc.edu/sfao/cincinnatus).

What graduate assistantships are available, and how do I apply for one? Please refer to page 5 for a complete list of all assistantships offered. The list will provide page numbers for majors which require additional application materials.

Can I double major within CCM or with another major at UC? Double majors are possible but are reviewed on a case-by-case basis. For more information, please contact the CCM Admissions Office.

If I am an international student, how do I get the I-20? You must confirm enrollment to CCM before an I-20 can be issued. You will need to verify funding using the Financial Certification Form (uc.edu/international/services).
