NOTE: We do not send teachers to students' homes. A few teachers allow CCM Preparatory students to have lessons at their home studios, if convenient for both student and teacher. Please inquire.

Students register and pay through CCM Preparatory, but schedule directly with the teachers. Once the referral is made from the office to the teacher, the teacher will contact you for scheduling. Registration and payment for at least one trial lesson through the CCM Preparatory office must be made prior to the first lesson.

Here is a link to the registration site: <https://register.asapconnected.com/default.aspx?org=1185>. It is best to wait to sign up after a trial lesson has been coordinated with the instructor. Then, contact 513-556-2595 or email ccmprep@uc.edu to request the trial lesson be invoiced in the registration system. It is important to be registered for your trial lesson before the lesson occurs.
